The following are guidelines that we use in completing your project:

1. We provide you with volunteers for you to complete your project. While we do provide GW staff supervision of your project, we are not a general contractor and we are not a professional home renovation/repair business.
2. We do not provide materials for the project. The funds for materials must come from your own resources. These can be paid to the GW staff person supervising your project. *PLEASE DO NOT GIVE CASH OR CHECKS TO ANY VOLUNTEERS.* If you mail this payment to Good Works, please indicate in the memo "Samaritan Projects" so it is credited to your project.
3. You will need to be on your property when the volunteers are present the day of the project.
4. If you are physically able, you, or a member of your family, are encouraged to help with the project. This is not a requirement for us to do the work for you.
5. We do not guarantee that we will do this project for you.
6. Projects of health and safety will take precedence over projects of a cosmetic nature.
7. If you are placed on a mowing rotation, we do not guarantee mowing your lawn more than once a month. Otherwise, we will only mow your lawn one time. (See our statement about Lawn Care Services if you are interested in this.)
8. We do not commit to doing your project until a contract has been discussed with you.
9. There is no guarantee or warrantee expressed or implied in the work that is done, now or when the project is complete. Good Works is not a general contractor service. You are agreeing to have volunteers do your project for you. If you are concerned about this, you should not consider Good Works Samaritan Projects as a possible resource to help you with your project.
10. Although Good Works does accept donations through the mail, we do not allow volunteers or staff to accept financial contributions for the projects that they do for you.

By signing below you are affirming that the project you are requesting help with is one you are not able to complete with the resources currently available to you.

You also understand that there is risk of damage to your personal property by volunteers. In order for us to proceed, you must agree to not hold Good Works or our volunteers liable for any damage to your property. You agree to release Good Works, Inc. from all liabilities to property and personal injury.
