## Schedule

*Friday, June 2*

5:30 - Arrival and Friday Night Life

If at all possible, it is preferable for you to arrive at 4:00. This is when we orient the groups to Friday Night Life. This is not as critical for you, since you are not the primary sponsoring group, but it would be very helpful to you so that you understand how this works. Even if some of you can come for the orientation that would be helpful. The arrival time will not be a problem for providing the deserts, but let me know what you will need.
